The saloon offers a comfortable lounge and bright, well ventilated by its vast roof and large sliding rear bay. This boat is available ex factory or we can arrange delivery to the? mediterranean.

**Manufacturer provided description** Prestige have revisited the concept of coupé motor yacht since the development of the Prestige 500. The Prestige 450 S is designed around an IPS propulsion system, offering a bright, airy and comfortable saloon, largely due to the vast opening glass sunroof and the large sliding glass door aft. A living space that is bathed in light and surrounded by the sea...The Prestige 450 S is the only coupé on the market offering an independent centreline berth, which gives it the greatest interior volume in its category. **Disclaimer**
