

Jeanneau Prestige 50S | 2008

£209,995

£239,995

Fuel Type: Diesel

Mechanical and Electrical This fantastic big sports boat has only 193 hours on the Volvo Penta D9 575HP engines. It is fitted with reverse cycle air conditioning, 9Kw generator with only 30 hours. Starting aft there is a tender garage with plenty of storage and a sunbed on top. There are also sun cushions for the forward deck area. Accommodation Moving inside the canvas cover you have a circular table. Moving up a step on to the starboard side there is a barbecue and also a fridge. Ahead of this is a chaise longue with a twin helm seat to starboard. Moving into the saloon you have a large sofa and table to starboard with a TV stand opposite with a glass holder underneath. The galley is extremely well equipped with a large fridge/freezer. Moving on you have a large cabin in the bow of the boat with an island bed and a large heads compartment with sliding shower door. Moving aft again and to port you enter the aft cabin. Here you will find another fantastic big cabin with an offset bed, writing desk and a heads compartment with shower
