£54,995

Fuel Type:

Diesel

Mechanical and Electrical Power by the very popular Volvo KAD-32 170HP. Accommodation In the cockpit area there is seating around a table to starboard with a sun lounger to port of the driving position which has two forward seats. Below decks you have a well equipped galley to starboard with a generous side cabin to port with separate access to the shared head which is also to port. In the bow you have a U shaped seating around a large table which can be pushed down to create a large double bed. Brokers Summary The Sealine S28 is a very popular boat and with good reason. Great seating in the cockpit with a galley to starboard below and a side cabin opposite to port along with the head and in the bow U shaped seating around the table which goes down to create another large double
