2020 Honda E 100kW motor, 36kWh battery, automatic, 5 door finished in the eye catching Charge Yellow with matching black roof and grey interior.

HPI clear, report with car. Ready to drive away today.

Has all the usual features and loads more, front and rear electric windows, power steering, remote DAB radio with USB input, HDMI input, Bluetooth telephone system, ABS , ESP, remote central locking, Isofix child seat anchor points, cruise control, speed limiter, climate control air conditioning, heated front seats, LED day time driving lights, auto LED headlights, front and rear reversing sensors with rear camera, camera side mirrors, alloy wheels, keyless start/entry, 2 keys, 3 pin household charge lead, etc, etc, etc.

The 36kWh battery will give approx range of 140 miles and instant power delivery makes taking the plunge into driving electric a no brainer. Can be charged at home or at many of the local charge points and along with next to no repair costs makes owning an electric vehicle common sense and the zero road tax cost off course.

We ourselves have been driving EV's over the past 4 years, so we are in a position to answer any questions with regards to EV ownership.

All in all a super clean inside and out. Has to be seen to be
