1978 Mercedes-Benz 350 SL
3.5 V8 Petrol Engine (192)
Original Unrestored Example
92k Genuine Miles From New

Finished in diamond blue with navy soft top roof and blue sports check interior. Immaculate condition inside and out, a completely original example that has been exceptionally maintained throughout its life being stored away from time to time.

44 years old but still equipped with: electric windows, central locking, automatic gearbox, heated rear windscreen, dual zone climate control, CD player, front fog lamps, power steering etc.

Ideal as an investment for the future, or would make a great useable classic! Starts on the button and drives excellent, keeps up with modern traffic nicely.

Comes with four keys, hard top roof, folder full of history including previous MOTs and V5.

Any Test Welcome
£25000
