Bavaria <Undefined> S33 | 2023

The perfect duo – fun and safety. With a top speed of more than 35 knots, the BAVARIA S33 gets you there fast. But safety is always a top priority – ensured by, among other things, the intelligent hull design in stable sandwich construction and a high freeboard. Above deck there are wide side decks, a railing all the way to the stern and handrails to guarantee the single most important thing on board – safety
