Cobra <Undefined> Ribs Nautique 8.7m | 2023

The Cobra Nautique 8.7m is one of the UK's best selling family ribs. Designed and manufactured in Britain, she is offered in a choice of colours and unique changeable seating configurations to satisfy the most varied of tastes. In design, performance and comfort she excels. In dryness, softness of ride and rough water handling, she is the envy of her peers. The 8.7m has a radically designed sun-bed stowage box, a futuristic state of the art forward curved A-frame for water sports, the new contoured rear bench, higher shear on the bow, and slightly tapering tube give her a mean look but also improve the rough water ride

Vehicle Features
