Ribcraft <Undefined> 6.5 | 2024

The RIBCRAFT 6.5 provides excellent control and performance in confused and rough seas found along coast lines and high traffic waterways. The pronounced bow sheer, full length lifting strakes, and RIBCRAFT deep V hull combine for unsurpassed handling. The 6.5's performance characteristics make it ideal for applications requiring speed and maneuverability. Featuring a center console design with spacious fore and aft decks, the 6.5 offers excellent latitude for any on water activity
