Introducing the Jeep Compass 1.3 Limited PHEV - a remarkable fusion of sophistication, efficiency, and cutting-edge technology. Elevate your driving experience with this premium compact SUV that seamlessly combines performance with eco-consciousness. Efficiency Redefined At the heart of the Compass 1.3 Limited PHEV lies a state-of-the-art 1.3-liter Plug-In Hybrid Electric Vehicle (PHEV) engine. Experience the best of both worlds as you effortlessly switch between electric-only mode for your daily commute and the fuel-efficient gasoline engine for those longer journeys. This hybrid marvel not only saves you money at the pump but also contributes to a greener, more sustainable future. Luxurious Design and Comfort Step into the refined interior of the Compass Limited, where premium materials and attention to detail create an inviting and comfortable cabin. From the leather-trimmed seats to the stylish dashboard, every aspect exudes quality. The spacious interior provides ample room for passengers and cargo, making every journey a pleasure. Advanced Technology at Your Fingertips Stay connected and entertained with the Compass's cutting-edge technology. The intuitive touchscreen infotainment system, equipped with Apple CarPlay and Android Auto, seamlessly integrates your smartphone for a personalized driving experience. Advanced driver-assistance features such as adaptive cruise control and lane-keeping assist add an extra layer of safety and convenience to your travels. Unmatched Versatility Whether you're navigating city streets or embarking on a weekend getaway, the Compass Limited PHEV is designed to adapt to your lifestyle. The versatile cargo space and 60/40 split-folding rear seats allow you to configure the interior to suit your needs, making it perfect for both daily commutes and spontaneous adventures. Sleek
