

Nissan LEAF 110Kw Tekna 39Kwh 5Dr Auto | Oct 2023

£14,899

APPLE CARPLAY- HEATED SEATS

a cutting-edge electric vehicle that combines eco-friendly efficiency with luxurious features. This particular model is a true standout, finished in a striking two-tone Magnetic Red with a Pearl Black roof, creating a stylish and modern aesthetic that turns heads on the road. Registered on 31st October 2023, this LEAF is practically brand new with less than 1000 miles, providing you with the latest in electric vehicle technology. What's even more exciting is the incredible savings it offers, boasting a discount of over £10,000 from the original list price, making it an unbeatable deal for the environmentally conscious driver. Step into the future of driving with an array of premium features that enhance both comfort and convenience. Immerse yourself in a world of sound with the included BOSE sound system, ensuring every drive is a musical experience. The around-view monitor, front and rear sensors, guarantee a seamless parking experience, making maneuvering in tight spaces effortless. Beat the chill with heated front and rear seats, as well as a heated steering wheel, ensuring you stay cozy during winter drives. The integration of Apple CarPlay and Android Auto takes connectivity to the next level, allowing you to seamlessly integrate your smartphone with the car's infotainment system for a smarter driving experience. This Nissan LEAF Tekna is not just a car; it's a lifestyle upgrade. With its sleek design, advanced technology, and substantial savings, it represents the perfect opportunity to embrace sustainable driving without compromising on luxury and style. Don't miss out on this exclusive offer to own a state-of-the-art electric vehicle at an unparalleled price. Drive into the future today with the Nissan LEAF 39KWH Tekna. Call today on 02891810555
