Selling my Mini Cooper due to needing to upsize to an estate car. The car has a Full Service History & 2 keys.

It comes with all the usual refinements including DAB Radio, cruise control, start stop technology, auto lights and adjustable interior mood lighting.

It took me a long time to find a Cooper with the upgraded JCW styling including LED headlights and keyless entry.

4 runflat tyres with plenty of tread.

Just MOT'd with no minors - valid until March 2025.

Very economical car returning over 50mpg & £20/year tax.

Will be sad to see it go as it is a real head turner.

No time wasters please.

Miles will rise slightly as still being used
