Exceptionally Rare Opportunity to purchase this stunning 1972 Fiat 500F in superb order throughout & a real true credit to its meticulous owner! This example was supplied new by Dick & Company Fiat of Belfast in November 1972 & has been cherished by its previous 2 owners regardless of cost. Rarely do examples such as this one present to open market & this is most certainly a car that needs to be seen in person to be fully appreciated, having only covered just under 18,000 miles & never been out in wet weather since it's ground up bare metal restoration.
