- LOW MILEAGE AND GREAT SPEC!

The Ford C-Max is more revamp than a complete reinterpretation - this model builds on the success of the original Focus C-Max ('03-'07), to become a great five-seat MPV. Think of it as a Focus that's put on some pounds. It's as good to drive as the hatchback, with refined handling, plenty of grip and sharp steering. The ride is comfortable, with limited body roll on faster corners, yet it's able to absorb bumps and scars on uneven roads. Wind and road noise are also well contained. Fusco Vehicle Sales - North Down's largest used car dealership. Generally over 200 cars & commercial vehicles between £3000 - £60,000 on site.
