

Audi TT 3.2 V6 Quattro 2dr S Tronic | Sep 2007**FSH MOT - MAR25 GREAT CAR!****£4,995**

Great car in excellent condition. Very fast and great fun to drive! Sounds amazing! Reluctant sale due to kids getting too big now. I have owned this car since March 2020. MOT'd to March 2025. It has a FSH from new and anything it has needed it has got, mainly routine services and a few age related issues which I quickly jumped on. Major services include Haldex, DSG oil. New springs, break pads etc. 4 tyres all in excellent condition. Body work is great with some minor scuffs on the alloys. Alloys are the upgraded 19in Le Mans, the best wheel for this car in my opinion. Extras include heated seats and tyre pressure monitoring system. A lot of car for the price!
