2012 x5 40d M-sport xdrive LCI model 95000 miles Full mot Panoramic sunroof 7 seat model Recently serviced Gearbox just serviced Brake pads front and rear just done 4 good run flat tires on 20 inch rims Sat nav Cruise control Electric memory seats Heated seats (need module) Hands free Bluetooth for phone Interior excellent condition Bodywork needs attention (see pics) 2 keys Previously Cat D from before we owned it We have owned this car for 7 years now and will be sad to see it go but we just no longer need a bigger car. In the last year it's had a full front suspension overhaul and both rear suspension airbags have been replaced. Also recently had the rocker cover replaced, glow plugs and module plus turbo reconditioned by turbo shack. Solid car with plenty of power. No knocking or rattles, no oil leaks or warning lights on the dashboard. Needs nothing except heated seat module which can be got on eBay for around £50 and body work needs some tlc, all reflected in price. NO TIME WASTERS OR TEXTS. Price is negotiable but no stupid offers. Thanks
