It seems like you've provided details about a Ford Kuga with the stock number XGZ4354. Here's some information about the Kuga 2.0 Ecoblue Mhev Titanium 5-door Estate model: **Engine:** The Ford Kuga 2.0 Ecoblue Mhev is equipped with a 2.0-liter EcoBlue diesel engine with Mild Hybrid Electric Vehicle (MHEV) technology. This engine combines traditional diesel power with a mild hybrid system to improve fuel efficiency and reduce emissions. **Trim Level:** The "Titanium" trim level is typically one of the higher trim levels offered by Ford and is known for its extensive list of standard features and upscale interior appointments. It often includes advanced technology features, premium upholstery, and enhanced exterior styling elements. **5-door Estate:** The 5-door estate configuration signifies that the Ford Kuga has five doors, including two front doors, two rear doors, and a rear hatch or tailgate. This layout offers easy access to both the passenger compartment and the cargo area, making it practical for everyday use and trips. **Space and Practicality:** As an estate (or station wagon) model, the Ford Kuga offers a spacious interior with ample room for passengers and cargo. The rear seats can typically be folded down to expand the cargo area, providing versatility for transporting larger items. **Technology:** The Ford Kuga Titanium model usually comes equipped with a range of advanced technology features, such as a touchscreen infotainment system with smartphone integration, navigation, advanced driver assistance systems (ADAS), and connectivity options like Ford's SYNC system. **Safety:** Ford typically prioritizes safety in its vehicles, and the Kuga is no exception. The Titanium trim often includes advanced safety features such as automatic emergency braking, lane-keeping assist, blind-spot monitoring, and adaptive cruise
