

Volkswagen Golf 1.4 TSI GTE 5dr DSG | Jan 2021

2 YRS WARRANTY • FULL HISTORY

£23,450

Agnew Volkswagen Belfast are delighted to offer this stunning 2021 Volkswagen Golf GTE 1.4 TSI 245PS 6-speed DSG 5 Door in Atlantic Blue with Discover Media Navigation system including Streaming & Internet, App-Connect, Dynamic road sign display, DAB Digital radio, Travel assist to include Lane assist, Traffic jam assist & Emergency assist with Side assist, Adaptive cruise control Multifunction camera for distance control, Electrically folding/adjustable heated door mirrors, IQ.LIGHT LED Matrix headlights, LED Front fog lights, Rear tinted glass, Keyless-Go Central locking system, Anti-theft alarm system. . The powerful hybrid drive in the Golf GTE is made up of an almost silent electric motor with seamless power transmission and an innovative 1.4L TSI direct injection petrol engine with 150 PS, which generates an incredibly dynamic drive with low consumption. When combined, the motor and engine accelerate the Golf GTE from 0 to 62 mph in just 6.7 seconds – and up to a temporary top speed of 139 mph (where law permits). While doing so, they deliver power of up to 245 PS and generate a formidable torque of up to 400 Nm. In addition to the three intuitive hybrid operating modes, the pure electric e-mode is ideal for urban centres – and can be used for distances of up to 38 miles (WLTP)*. This means you can drive with electricity in the city, use both power units when overtaking on country roads, and the TSI engine then increases the range on long trips. Once you get back home again, you can recharge the electric motor's battery in no more than 5 hours using a normal socket. With an optional wallbox or at a public charging station, the battery can reach a full charge in as few as 3 hours and 40 minutes

Vehicle Features

3 point height adj front seatbelts + pretensioners, 3 rear head restraints, 3 rear three point seatbelts, 3 zone climate with
