WAV -W' CHAIR ACESIBLE VEHICLE

DON'T WORRY AND GET DISAPPOINTED WHEN IT DOESNT SHOW UP!! This is the reason we got this WAV, taxis showed up late or not at all, nearly impossible to get one at weekend. This is an excellent example of a wheelchair accessible Citroen Berlingo with low miles. This is the perfect 3 in 1 vehicle. 5 seat family car, small van or wheel chair access car, the reason we bought it. Foldable ramp with all the necessary straps. The 3 rear seats easily removed to convert to carry wheelchair. Car is MOT until September. You will not find a better example (a couple of smart repairs) When we bought this we searched for weeks and weeks and most of the ones we looked at were only average at best. We were close to buying one out of sheer necessity until we saw this one. No haggling we just bought it. Genuinely like trying to find needle in haystack. We know what it was like trying to rely on Taxis. If you are looking a WAV this is 100% the right choice.
