**LOW MILEAGE GTD 200**

The 2021 Volkswagen Golf 2.0 TDI 200 GTD 5dr DSG is a prime example of Volkswagen’s dedication to combining performance, efficiency, and practicality in one sleek package. Under the hood, the GTD features a 2.0-liter turbocharged TDI engine producing a robust 200 horsepower. The diesel engine is paired with a 7-speed DSG (Direct Shift Gearbox), which delivers smooth and quick gear changes. This setup ensures that the GTD is not just efficient but also thrilling to drive, with ample torque providing strong acceleration and overtaking power. It achieves 0-60 mph in around 7.1 seconds, making it one of the faster diesel options in its class. The car's handling is precise, with a sport-tuned suspension that balances comfort and agility, making it ideal for both spirited driving and long-distance cruising. The 2021 GTD retains the Golf’s timeless design with a sporty twist. It features unique GTD badging, 18-inch alloy wheels, and dual chrome exhaust tips, giving it a distinctive and aggressive look. The five-door configuration ensures easy access and practicality, whether you’re loading up for a family trip or a daily commute. Inside, the GTD’s cabin exudes quality and comfort. The sport seats are upholstered in high-quality materials and provide excellent support for long drives. The dashboard is modern and driver-focused, featuring a digital cockpit that replaces traditional gauges with a customizable display. The infotainment system includes a large touchscreen with navigation, Apple CarPlay, and Android Auto, ensuring you stay connected and entertained. Volkswagen has equipped the GTD with a comprehensive suite of safety features. These include adaptive cruise control, lane-keeping assist, blind-spot monitoring, and autonomous emergency braking. The car also comes with a rearview camera and parking sensors, making parking in tight spots a breeze. The

build quality and robust structure provide a reassuring sense of safety and reliability. Practicality is a hallmark of the Golf series, and the GTD is no exception. The five-door layout offers ample space for passengers and cargo. The rear seats are spacious enough for adult passengers, and the boot provides generous luggage capacity. For larger items, the rear seats can be folded down, expanding the cargo area significantly. This versatility makes the GTD suitable for a variety of uses, from daily errands to road trips. One of the key advantages of the GTD is its impressive fuel efficiency. The diesel engine delivers excellent mileage, with an average of around 50 mpg combined. This makes the GTD a cost-effective option for those who drive long distances or want to reduce their fuel expenses without sacrificing performance

## Vehicle Features
