Body Style:	Motor Caravan
Reg:	VIW688

T4 long wheel base Camper van

Great driving van, has been continuously reliable and great size for getting into car parks and camping. Very economical on diesel being the very reliable and bullet proof 2.5 engine. Cheap insurance for under 25s with Adrian Flux as a campervan on tax book, and speed limit not restricted as would be if just a van on tax book.

Some features listed below
