The YFM110R balances the impressive power and responsiveness of a 112cc fuel-injected engine with features to give you total peace of mind. A simple TCI plug-in adjusts engine power to suit different riding abilities, while a handlebar parking brake means the YFM110R stays exactly where you left it.

Easy to use, fun to ride and simple to maintain, the Yamaha YFM110R is the clear choice for responsible adults - and with its YFM700R racer-inspired styling, this mini version of a grown-up ATV has got to be at the top of every kid's wish list!
