Charles Hurst Ferrari are excited to present a remarkable opportunity to own a piece of Ferrari's prestigious legacy: our Approved Ferrari 488 Spider. This model exemplifies the pinnacle of luxury and performance, designed for the discerning enthusiast who seeks both thrill and elegance. The Ferrari 488 Spider is part of Maranello's ongoing history of open-top v8 sports cars, a story that started with the targa-top version of the 308 GTB - the immortal 308 GTS - and which ultimately resulted in the full convertible spider architecture. The Spider marries the extraordinary prowess of the 488 GTB coupés mid-rear V8 with the joy of tackling even the most challenging roads surrounded by nature's heady aromas and colours and accompanied by an inimitable Ferrari engine soundtrack. The exterior is painted in an exquisite Giallo Modena, a colour that has become synonymous with Ferrari's history. This striking finish ensures that the car makes a statement without saying a word. Inside, the cabin is adorned with premium leather and state-of-the-art amenities, providing supreme comfort and a luxurious feel. Every aspect of the interior has been crafted to meet the highest standards of quality and aesthetics. As part of our Ferrari Approved program, this 488 Spider has undergone a series of detailed checks and balances by our Ferrari-trained technicians to ensure it meets our rigorous standards. The program guarantees that every element of this car, from its performance to its appearance, is in impeccable condition. At Charles Hurst Ferrari, we pride ourselves on offering more than just a car; we offer a gateway to a unique lifestyle.
