Charles Hurst Ferrari are excited to present an outstanding example from our Ferrari Approved program: the exquisite Ferrari Roma. This stunning vehicle is the embodiment of la Nuova Dolce Vita, offering a perfect blend of timeless elegance, cutting-edge technology, and thrilling performance. The Ferrari Roma is powered by a robust 3.9-liter V8 engine, producing 620 BHP, which enables dynamic yet smooth driving experiences. With an 8-speed dual-clutch transmission, it offers quick, seamless shifts that accentuate its sporty character while maintaining the comfort expected of a grand tourer. This Roma is finished in an elegant Grigio Titanio Metallic, an exterior colour that accentuates its beautifully sculpted lines and refined aerodynamic profile. The interior is just as impressive, adorned with luxurious Nero leather, a testament to Ferrari's commitment to craftsmanship and attention to detail. The cabin features the latest advancements in driver-oriented technologies, ensuring every journey is both enjoyable and intuitive. As a part of the Ferrari Approved program, this vehicle has undergone a comprehensive series of checks and balances by Ferrari-trained technicians. This includes a detailed examination of its mechanical systems, electrical components, and aesthetic condition to ensure it meets our highest standards. , which provides additional assurance and confidence in your investment. At Charles Hurst Ferrari, buying a Ferrari Approved vehicle means more than just owning a car; it's an invitation to a lifestyle of exclusivity and sophistication. We offer customised finance options and exceptional after-sales support, ensuring that every aspect of your Ferrari experience is nothing short of spectacular. Visit us at Charles Hurst Ferrari to explore this magnificent Ferrari Roma and let us help you discover how it can elevate your driving experience to new heights. Experience the

passion, style, and performance that only a Ferrari can deliver
