2009 Volkswagen Golf 2.0 GTI DSG 5dr Imported from Japan in July 2021 this is a personal car of ours that we have enjoyed driving for a year now. Complete with 3 keys the service history on this GTI is outrageous, with carefully documented receipts. The car comes with a Folder full of receipts with the most notable receipt in excess of £3000 to include replacement of the Timing Chain and all Tensioners / Pulleys in September 2022. Sitting on 4 Michelin Pilot Sport 4's done around 2000 Miles, with refurbished alloys completely unmarked. Spec to include Wireless Apple CarPlay, Reversing Camera, Auto Lights / Wipers, Cruise Control. 210BHP as standard, it has been has been tuned by Revo on Stage 1 to produce around 270bhp with receipts. Rear LED Tail-lights with sweeping Indicators, front Xenon Headlights as standard from Japan. A great chance to own an Iconic Hot Hatchback with as much fun as anyone could want and a more than reasonable price. Please contact Christopher on 07522114437 for anymore information as it is his personal vehicle.
