PRE- REGISTERED MASSIVE SAVINGS

This Pre-registered Nissan Qashqai 1.5 E-power Tekna in Magnetic Blue with Pearl Black roof is an exceptional choice for those seeking a cutting-edge, stylish, and feature-rich SUV. Here are several compelling reasons to consider this vehicle:

Innovative E-Power Technology: The 1.5 E-power system combines the efficiency of an electric vehicle with the convenience of a petrol engine. It offers smooth, responsive acceleration and excellent fuel efficiency, providing an enjoyable and eco-friendly driving experience.

Comprehensive Parking Assistance: Equipped with 360-degree parking cameras and front and rear sensors, parking and maneuvering in tight spaces become effortless and safe. These features significantly reduce blind spots and enhance overall driving confidence.

Advanced Navigation and Connectivity: The integrated satellite navigation system ensures seamless and efficient navigation. The touch screen infotainment system supports Apple CarPlay, allowing seamless integration with your smartphone for easy access to your favorite apps, music, and navigation.

Convenience and Comfort: Keyless entry and start add a layer of sophistication and practicality, enabling quick and hassle-free access to the vehicle. Heated seats and a heated steering wheel provide enhanced comfort, especially during colder weather, ensuring a pleasant driving experience.

Customizable Heads-Up Display: The customizable heads-up display allows you to keep important information directly in your line of sight, enhancing safety by minimizing distractions and keeping your focus on the road.

Power Tailgate: The power tailgate adds convenience, especially when loading and unloading cargo. This feature allows you to open and close the tailgate with ease, even when your hands are
