

Porsche Taycan 300kW 89kWh 4dr RWD Auto | May 2024

£92,900

Porsche Centre Aberdeen would like to introduce you to the future of electric driving - the All New 2024 Porsche Taycan Performance 89kWh Saloon. This stunning silver beauty is not just a car, it's a statement. With only 3500 miles on the clock, it's practically brand new and ready to be driven by its lucky new owner. Step inside and experience luxury in every detail. The 4+1 seats system allows for comfortable seating for up to five passengers, making it the perfect car for a weekend getaway with friends or a family road trip. The smooth finish leather in black adds a touch of sophistication, while the Porsche Crest on the headrests adds a subtle yet powerful touch. But don't be fooled by its elegance, this Taycan is all about performance. The 20-inch alloy wheels in Turbo Sport Aero not only look sleek, but also enhance the car's aerodynamics for a smoother ride. And with the Performance Battery Plus, you can enjoy longer journeys without worrying about recharging. Speaking of recharging, forget the hassle of plugging in with the 11kW charger - simply use the comfort access feature and charge wirelessly. And while you're charging, why not take advantage of the Porsche Electric Sport Sound and listen to the soothing hum of the electric engine. Safety is top priority with this Taycan, featuring adaptive cruise control, lane change assist, and surround view with active parking support. And for added convenience, the passenger display and side airbags in the rear compartment ensure everyone is informed and protected. Are you ready to take on the road with the Sport Chrono Package? And with the model designation painted in black high-gloss, this
