

## Jaguar XK 4.2 Supercharged V8 2dr Auto | Jun 2008

# £17,950

The very desirable 4.2 V8 Supercharged Jaguar XKR convertible in probably the best exterior and interior colour combination. This has been my "dry, Sunday" car for the last couple of years and has been treated accordingly. It has had the gearbox and engine oil changed when I bought it and has only covered 4000 miles in my ownership over the period of 2.5 years. It will have a full engine service before sale. It also has H&R wheel spacers fitted to give wheel arches a stronger look and the wheels have been refurbished by Michael at Polish Alloys, Craigantlet. These cars represent superb value for money and have outstanding performance (420BHP) and a smart contemporary appearance. It has just undergone a full exterior and interior enhancement by Shea from Auto Heaven Detailing.
