

## Nissan LEAF 110Kw Shiro 39Kwh 5Dr Auto | May 2024

# £16,999

WARRANTY UNTIL 2027- ZERO TAX

The Nissan LEAF 39kWh Shiro in Arctic White is an outstanding choice for those seeking an efficient, eco-friendly, and technologically advanced vehicle. Here are several compelling reasons to consider this fully electric car: Fully Electric Efficiency: As a fully electric vehicle, the Nissan LEAF offers zero emissions, significantly reducing your carbon footprint and contributing to a cleaner environment. The 39kWh battery provides a practical range suitable for daily commutes and longer trips, with the added benefit of lower running costs compared to traditional combustion engines. Comprehensive Parking Assistance: Equipped with 360-degree parking cameras and front and rear sensors, parking and maneuvering in tight spaces become effortless and safe. These features greatly enhance overall driving confidence and reduce the risk of minor accidents. Advanced Navigation and Connectivity: The integrated satellite navigation system ensures seamless and efficient route planning. The customisable touch screen infotainment system supports various connectivity options, including smartphone integration, making it easy to access your favorite apps, music, and navigation. Convenience Features: Keyless entry and start add a layer of sophistication and practicality, allowing for quick and hassle-free access to the vehicle. This feature is particularly useful for swift departures and when carrying items. Comfort and Luxury: Heated front and rear seats, along with a heated steering wheel, enhance comfort, especially during colder weather. These features ensure a pleasant and cozy driving experience for both the driver and passengers. Striking Design: Finished in Arctic White, the Nissan LEAF has a modern and sleek appearance that stands out
