Charles Hurst Ferrari are excited to highlight a prime example of our Ferrari Approved collection: the Ferrari Portofino M. This stunning model is the epitome of Italian craftsmanship, combining luxurious comfort with exhilarating performance in a sleek convertible design. The Ferrari Portofino M, which features the legendary ‘M’ suffix, for Modificata, in its name, is the evolution of the Ferrari Portofino. The new Prancing Horse 2+ spider boasts a slew of new technical and design features, most notably an 8-speed dual-clutch gearbox and a five-position Manettino, an absolute first for a Ferrari GT convertible. Every drive aboard the Ferrari Portofino M is a voyage of (re)discovery. This particular model is finished in Blu Abu Dhabi exterior that beautifully complements the sophisticated lines of the Portofino M. Inside, the cabin is a haven of luxury, adorned with sumptuous Sabbia leather upholstery and equipped with cutting-edge technology to enhance both comfort and connectivity. As part of the rigorous Ferrari Approved program, this vehicle has undergone a thorough inspection by our Ferrari-trained specialists to ensure it meets the highest standards of performance and aesthetics. This meticulous process includes detailed checks of the mechanical elements, electrical systems, and bodywork, along with a complete review of its documented service history. Owning this Ferrari Portofino M means more than just possessing a high-performance car; it’s about embracing a lifestyle of elegance and excitement. At Charles Hurst Ferrari, we provide bespoke financing options and dedicated after-sales support to ensure your Ferrari experience is unparalleled. We invite you to visit Charles Hurst Ferrari to explore this magnificent Portofino M and discover how it can bring unparalleled joy and prestige to your life. Let us assist you in embarking on an unforgettable journey of passion and

performance that only a Ferrari can deliver
