NI REG

The Volkswagen ID.3 150kW Life Pro Performance 58kWh 5dr Auto with 35,385 miles on the clock is an exemplary choice for those seeking an advanced electric vehicle. As a leading model in Volkswagen’s electric lineup, the ID.3 offers impressive performance, innovative technology, and exceptional efficiency. Key Highlights: Performance: Equipped with a 150kW electric motor, the ID.3 delivers a swift and smooth driving experience with instant torque and responsive acceleration. The 58kWh battery provides a substantial driving range, making it suitable for both daily commutes and longer trips. Efficiency: The ID.3 boasts excellent energy efficiency, contributing to lower running costs and reduced environmental impact. It supports fast charging, allowing you to recharge up to 80% in approximately 30 minutes using a compatible rapid charger. Interior Comfort: The cabin of the ID.3 is modern and spacious, featuring high-quality materials and a minimalist design. The Life Pro Performance trim includes comfortable seating, ample legroom, and a large boot, ensuring a pleasant journey for all occupants. Technology: This model is equipped with advanced technological features such as a 10-inch touchscreen infotainment system, wireless Apple CarPlay and Android Auto, and a digital cockpit. The intuitive interface and connectivity options ensure a seamless and enjoyable driving experience. Safety: Volkswagen has prioritized safety in the ID.3, incorporating a suite of driver assistance systems including adaptive cruise control, lane keeping assist, automatic emergency braking, and traffic sign recognition. These features enhance driver confidence and ensure passenger safety. Design: The exterior of the ID.3 is sleek
