The 2019 Ford Fiesta 1.0 EcoBoost ST-Line 5dr is a sporty and efficient variant of the popular Fiesta hatchback. Here's a detailed description of its features and specifications:

Exterior Design: The ST-Line trim is designed to give the Fiesta a sportier look. It features a more aggressive front bumper, side skirts, and a rear diffuser, all of which contribute to a dynamic appearance.

Wheels: It comes with distinctive ST-Line alloy wheels.

Lighting: The car is equipped with stylish headlights and LED daytime running lights, enhancing visibility and aesthetics.

Body: This is a 5-door hatchback, offering practicality with sporty design elements.

Interior Seats: The interior features sport seats with contrasting stitching, providing both comfort and a sporty feel.

Steering Wheel: The flat-bottomed, leather-wrapped steering wheel with ST-Line badging adds to the sporty ambiance.

Technology: It includes Ford's SYNC 3 infotainment system with a touchscreen, Apple CarPlay, and Android Auto compatibility.

Space: The 5-door design offers easier access to the rear seats, making it more practical for passengers and cargo.

Performance Engine: The 1.0-liter EcoBoost engine is a turbocharged three-cylinder unit that balances performance with fuel efficiency.

Power Output: Depending on the exact variant, the engine produces between 99 to 123 horsepower.

Transmission: It typically comes with a 6-speed manual gearbox, though an automatic option may be available.

Fuel Efficiency: The EcoBoost engine is known for its excellent fuel economy, making it an economical choice for daily driving.

Safety and Features Safety: Standard safety features include multiple airbags, ABS, electronic stability control, and a host of driver-assistance features like lane-keeping assist and a rearview camera.

Comfort: It offers a comfortable ride with good suspension tuning that balances sportiness and comfort.

Driving Experience
