The 2017 Ford Kuga 180 ST-Line features a sporty and aggressive design, characterized by its distinctive ST-Line styling cues. The bold front grille, sleek LED headlights, and aerodynamic lines give it a commanding presence on the road. The ST-Line trim adds unique touches such as sportier bumpers, larger alloy wheels, and a lower stance, making it a standout choice for those seeking a visually striking SUV. Under the hood, the Kuga 180 ST-Line is powered by a 1.5-liter EcoBoost engine that delivers a robust 180 horsepower. This engine provides strong acceleration and responsive performance, making it enjoyable to drive both in the city and on the highway. The all-wheel-drive system enhances traction and stability, ensuring confident handling in various driving conditions
