**£13,299**

**SAT NAV, HEATED SEATS**

The MINI Hatchback 1.5 Cooper Classic II 5dr is a dynamic blend of iconic design, advanced engineering, and practical functionality. This compact yet spacious five-door model continues the MINI tradition of delivering a spirited driving experience while offering the practicality needed for everyday use. The MINI Hatchback retains its distinctive retro charm, characterized by its rounded headlights, hexagonal grille, and contrasting roof colors. The 1.5 Cooper Classic II trim adds subtle enhancements, including sleek alloy wheels and a refined chrome finish that accentuates its stylish silhouette. The five-door configuration provides easier access to the rear seats, making it a practical choice for families and those who frequently carry passengers. Under the hood, the MINI Hatchback 1.5 Cooper Classic II is powered by a robust 1.5-liter three-cylinder turbocharged engine. This powertrain delivers a lively 134 horsepower, ensuring a zippy and responsive drive. The car excels in urban environments with its nimble handling and quick acceleration, while also performing admirably on highways with stable and composed cruising capabilities. The precise steering and sport-tuned suspension further enhance the driving experience, making every journey enjoyable. Step inside, and you are greeted by a well-crafted interior that blends retro elements with modern technology. The 1.5 Cooper Classic II features comfortable cloth seats with ample support, making long drives more pleasant. The dashboard is dominated by a large circular central display, which houses the infotainment system. This system is intuitive and easy to use, , USB ports, and smartphone integration through Apple CarPlay and Android Auto. Despite its compact exterior, the MINI Hatchback offers a surprising amount of space. The five-door model provides easier

access to the rear seats, which can comfortably accommodate two adults or three children. The rear seats can be folded down to expand the trunk space, making it versatile enough to handle shopping trips, luggage, or even small furniture. With numerous storage compartments throughout the cabin, the MINI Hatchback ensures that you can keep your belongings organized and within easy reach. Safety is a priority for MINI, and the Hatchback 1.5 Cooper Classic II is equipped with a range of features designed to protect its occupants. Standard safety equipment includes multiple airbags, ABS, stability control, and a tire pressure monitoring system. Additionally, the MINI offers advanced driver assistance features such as parking sensors, and optional adaptive cruise control. These technologies work together to enhance driver confidence and ensure a secure driving experience. One of the standout features of the 1.5-liter engine is its impressive fuel efficiency
