LONG MOT, HYBRID, FULL SERVICE HISTORY!

2006 Lexus RX400h

First of the legendary hybrid Lexus SUVs, registered in January 2006. Beautiful Silver Pearl Metallic with a light grey cloth interior.

It's covered 150k miles, backed up with Full Service History, including a timing belt change at 107k. Long MOT expires July 2025.

This is the no-frills, tree-hugger edition and so they haven't killed a cow for the interior, nor have they packed it with any unnecessary gadgetry. It's still modestly equipped with:

Electric Front Seats

Automatic Climate Control

Remote Central Locking

Headlamp Wash

Cruise Control

6-disc CD Changer

Rain Sensor

Automatic Headlights

Electrically Folding Wing Mirrors

Auto-Dimming Rear View Mirror

Hybrid Synergy Drive means you get a meaty 3.3 litre V6 petrol engine working in tandem with an electric motor, powering the car purely with electricity when moving off and when at low speeds around town. A seamless CVT gearbox brings the package together nicely.

Two keys and owner's pack present.
