This rare little Fabia vRS is finished in 'Candy White' with 'Black Magic' Pearlescent roof. The 1.4 TSI petrol engine produces 180 PS and is matched to a 7 speed DSG gearbox - it runs and drives superbly - a real pocket rocket with super comfy seats and immaculate interior.

This example is in really superb condition throughout and has been very well cared for and maintained - it has had the same lady owner for the past 7 years. It has had 9 services in total (8 Skoda main dealer, 1 independent) with the most recent carried out at 77k miles in Sept 2023. It has also had the front suspension renewed last year and a new battery in 2022.

The 17 inch 'Gigaro' alloy wheels have just been refurbished and are wearing premium brand tyres all round (2 brand new 'Firestone', 2 Toyo with very good tread remaining).

The car comes with 2 working remote keys, full book pack with stamped service book, all MOT certificates and many receipts for servicing, parts and tyres.

Everything works including ice cold AC and Bluetooth kit.

You would struggle to find a nicer example in this price bracket.

The current MOT is valid until 4th Feb 2025 and road tax is £210 for the year.
