- Bluetooth handsfree

Trade in to clear

Car has high miles mostly from English motorways. The car has been looked after meticulously by last owners with stamps and receipts for all work done. Couple of marks on body which is to be expected but very clean for the age. No unwanted noises and plenty of power. Drives like a car with a fraction of the mileage

No warranty or finance can be offered on this car due to the mileage but feel free to bring a mechanic with you to check it over
