

Seat Leon 2.0 TDI 184 FR Technology 5dr | Mar 2017

MOT JUNE 2025

£7,995 O.N.O

Great family car for someone who enjoys a little extra power. Stage 1 Remap to 240 BHP by Torquetronix in Kells. Car drives brilliantly, pulls like a train.

Unique spoiler and factor fitted detachable towbar. (Very rarely used for towing - the odd dump run)

Timing belt and water pump changed at 56k miles and new brake pads all round recently. Has a fresh MOT until June 2025.

Please Note I purchased this car in 2018 as a CAT N. (I had the Drivers side wing and door professionally replaced) As its a CAT N it is not recorded on the V5C.

I've driven this car for over 5 years with no issues. Only reason for sale is because I need more space for my 3 kids in the back.

Vehicle Features
