### 2. 0TDI R LINE GREAT HISTORY

2.0tdi r line scirocco, great service history, on coils and a enclosed cold air intake at the moment but apart from that it's mechanically stock, great driving car only selling due to change of working circumstances, paint has some defects, lacquer peeling in small patches on 3 panels and there is a scrape underneath the front bumper but the service history is great with receipts.

This is my second car so in no rush to sell, MOT till may 2025 car is currently sorned and parked in a sheltered driveway.
