

## Kia Picanto 1.0 1 5Dr | Aug 2018

### 1. 0 FUEL EFFICIENCY COST

# £7,299

The Kia Picanto 1.0 i 5-door 2018 model offers several advantages that make it a compelling choice for a city car. Here are some reasons why you should consider buying this vehicle:

- 1. Compact and Practical Design Size:** The Picanto is compact, making it ideal for navigating through tight city streets and parking in small spaces.
- 5-door Configuration:** The five-door setup enhances practicality, allowing easy access to the rear seats, which is especially convenient if you frequently carry passengers or need extra storage space.
- 2. Fuel Efficiency Economical Engine:** The 1.0-liter engine is known for its fuel efficiency, making it cost-effective to run, especially for urban commuting. Expect good mileage, which translates to lower fuel costs.
- 3. Affordable Running Costs Low Maintenance:** Kia vehicles generally have lower maintenance costs compared to many other brands. The Picanto's parts are relatively inexpensive and widely available.
- Insurance:** The Picanto typically falls into a lower insurance group, making it cheaper to insure.
- 4. Features and Equipment Modern Features:** Despite being a small city car, the Picanto often comes with a good range of features such as air conditioning, , and a touchscreen infotainment system, depending on the trim level.
- Safety:** It includes several safety features such as airbags, ABS (Anti-lock Braking System), and stability control. , and the Picanto is no exception. It's designed to be durable and dependable. , often up to 7 years, which provides peace of mind and is a testament to their confidence in the vehicle's reliability.
- 6. Driving Experience Handling:** The Picanto is known for its nimble handling, which makes it fun to drive in urban environments. The light steering and tight turning radius are particularly
