The Nissan Juke 1.0 DiG-T 114 N-Connecta 5dr is a stylish and practical SUV with modern features, efficient performance, and distinctive design. It offers a range of standard and optional features, including USB ports, a Bluetooth Audio System, a standard 6-speaker system (optional Bose system), Climate Control, Automatic climate control, and multiple seat adjustments. Safety features include Multiple airbags, ABS, EBD, brake assist, lane departure warning, traffic sign recognition, and emergency braking. Exterior features include 17-inch alloy wheels (18-inch optional), LED daytime running lights, LED headlights, and taillights. The body design features a coupe-like design with bold lines and a prominent front grille. Roof rails are available in some markets. The interior offers comfortable seating and a focus on driver comfort and visibility. The car provides ample rear foot and legroom for a compact SUV. Additional options include the Technology Pack with advanced driver assistance, blind-spot monitoring, and the Comfort Pack with heated seats and steering wheel. The Nissan Juke 1.0 DiG-T 114 N-Connecta 5dr is a well-rounded compact SUV that offers a good balance of performance, efficiency, and modern features. Its stylish design and practical features make it a great choice for individuals and small families.

Standard features on this car include Rear Parking Sensors, 17 inch alloy wheels, Electric front and rear windows.

Every Charles Hurst Approved used and nearly new car we retail has a 3 year/50,000 mile warranty. The servicing and vehicle history are available on our website.
