The 2021 Ford Focus Zetec 1.5 is a compact hatchback that blends practicality, modern technology, and efficient performance. Known for its dynamic handling and stylish design, the Focus Zetec is a popular choice among small family cars. Here's a detailed description of its key features:

Exterior Design: The Focus Zetec features a sleek and contemporary design with a distinctive front grille, sharp headlights, and aerodynamic lines. Its sporty stance is complemented by the compact yet muscular body.

Wheels: The car comes standard with 16-inch alloy wheels that enhance its stylish appearance and provide a smooth ride.

Lighting: Halogen headlights with LED daytime running lights offer good visibility and a modern look. The rear LED taillights add to the car's visibility and safety.

Accents: Body-colored bumpers, door handles, and mirrors, along with chrome detailing around the windows, contribute to the car's refined aesthetic.

Interior Seating: The Focus Zetec features comfortable cloth seats with manual adjustment for both the driver and front passenger. The rear seats offer adequate space for passengers, making it suitable for small families.

Dashboard: The dashboard is well-designed with intuitive controls. It features soft-touch materials and a clean layout, with a multifunction steering wheel for easy access to various controls.

Technology: The car is equipped with the SYNC 3 infotainment system, which includes an 8-inch touchscreen, DAB radio, and smartphone integration through Apple CarPlay and Android Auto. A six-speaker audio system provides good sound quality.

Comfort: Manual air conditioning, a center console with armrest and storage, and various cupholders and compartments contribute to the car's practicality and comfort.

Performance Engine: The Focus Zetec 1.5 comes with a 1.5-liter EcoBlue diesel engine.

Technical Specs
