# £4,990 O.N.O

**GOOD MILES FOR AGE, USED AS A SECOND CAR**

Great driving car, has never let me down. 2 lady owners from new. Full leather interior, clean inside. MOT until end October, has always gone through with very little needing done to it.

Bodywork has a couple of marks on it, nothing unusual for a car that age.

Reduced price due to aircon pump not working, I had this removed as I never used the aircon. if you want to replace you can pick up a second hand one for about £100. Timing belt was replaced before I purchased it at 97,000 miles, mechanic checked it over yesterday and its in good order.

Selling as we both work from home now and we don't need a second car. Serious offers only. If you want more pics or a video let me know.

No texts like "will £2000 do ye" - no, I'm neither dumb nor desperate.
