2011 BMW X3 F25 335D

Registered December 2011 BMW X3 35d M Sport. Due to a change in personal circumstances reluctantly I have decided to let the car go, it's a real joy to drive but a little too big for my needs right now. It has covered 109k miles with documented service history. Registered CatD and repaired with OEM parts (before my ownership). It also has a stack of receipts included. In addition to the cars standard features it also has the following extras including:, Widescreen pro media sat nav system, Sports auto transmission with paddle shift, Full panoramic sunroof with blind, Heated cream leather and electric power seats, DAB radio/BMW connect, Xenon LED turning headlights, Front and rear parking sensors, Stainless steel Quad exhausts, Drilled and vented discs, Eibach 40mm lowering springs, X3 private plate, All in all a great car with matching Contisport tyre's, also Williams BMW health check documented, 2 x working remotes keys and V5 in my name. Will let the personal reg go with the car too.
