LOW MILEAGE, CHEAP TAX AND IN GREAT CONDITION.

£8,500 O.N.O

3 owners, low road tax & MOT'd until 06/03/2025. Car is in perfect working condition and I have never had any issues. Very comfortable car to drive and has been kept in great condition - I am only selling due to moving away and have not put significant miles on it since purchasing 2 years ago. Features include reversing camera (2 angles), leather seats (not heated) & bluetooth connectivity. Please note there are scratches on alloys from previous owner, which have been factored into the price. Mileage may increase slightly as I will still be using it until sold (albeit not far or regularly).

Open to offers (serious offers only) and please no time wasters. Comes with 2 keys and partial service history.

Note car is currently located in Glasgow and will have to drive back prior to sale - mileage would therefore increase.
