**£7,299**

he Citroen Berlingo 1.6 BlueHDi 850Kg Enterprise 100ps, with 78,148 miles, is an outstanding choice for businesses and individuals looking for a reliable, spacious, and fuel-efficient van. Here are the key features and highlights of this versatile vehicle:

**Key Features and Highlights:**

- Reliable and Economical Engine:** Powered by a 1.6-liter BlueHDi diesel engine, this Berlingo offers a blend of performance and fuel efficiency. With 100ps (99 bhp), it provides ample power for various loads while ensuring economical fuel consumption, making it a cost-effective option for daily operations.
- Spacious Cargo Area:** The Berlingo's design includes a generous cargo space, making it ideal for transporting goods, equipment, or tools. The 850Kg payload capacity ensures that it can handle substantial loads, making it perfect for businesses needing a reliable workhorse.
- Practical Design:** The Berlingo features a practical and functional design, with wide-opening rear doors and a side sliding door, allowing easy access to the cargo area. The low loading height further simplifies the process of loading and unloading goods.
- Comfortable Cabin:** Despite being a commercial vehicle, the Berlingo's cabin is designed for comfort and convenience. It includes supportive seats, ample storage compartments, and a user-friendly layout. The cabin also offers a quiet and comfortable ride, even on long journeys.
- Enterprise Trim Level:** The Enterprise trim adds several practical features, including air conditioning, rear parking sensors, cruise control, and an upgraded infotainment system. These features enhance driver comfort and convenience, making the Berlingo a pleasure to drive.
- Advanced Safety Features:** Safety is a priority with features such as ABS, Electronic Stability
