## Audi A4 S4 Quattro 4dr | Oct 2000

**£5,000** O.N.O

Selling my B5 S4 saloon Very low genuine mileage example but showing its age bodywork wise Will make a very good car for someone with money and time to make it right Recently fitted refurbished D2 S8 avus alloys, these will go on the car for full asking price 5250 Private reg just taken off, reg will be X342 EGF Car drives and runs very well Previous owner fitted BC coilovers and decat pipes along with a backbox delete, sounds great Bodywork needs some tidying (front bumper, rear bumper, boot lid etc) and the headliner is sagging but the light grey leather interior is in very good condition There is a spare 2.7 engine can come with the car as part of the deal, again for full asking. Previous owner has had S4s in the past More photos and videos available on request No sensible offer refused, a low mileage S4 is hard to find nowadays Message me if you are interested, no time wasters please
