2021 Ford Puma 1.0 EcoBoost Hybrid mHEV 155 ST-Line 5dr

**Dynamic Performance:** Experience the thrill of the 2021 Ford Puma 1.0 EcoBoost Hybrid mHEV 155 ST-Line 5dr. Featuring a powerful 1.0-litre EcoBoost Hybrid engine with mild hybrid electric vehicle (mHEV) technology, this compact SUV delivers a robust 155 horsepower. Enjoy spirited acceleration and responsive handling, all while benefiting from enhanced fuel efficiency and reduced emissions.

**Sporty and Stylish Design:** Stand out from the crowd with the Puma's striking ST-Line design. Bold lines, a distinctive front grille, and sporty 18-inch alloy wheels make a lasting impression. The sleek, aerodynamic profile is complemented by LED headlights and signature ST-Line badging, ensuring you arrive in style wherever you go.

**Premium Interior:** Step inside the Puma and indulge in a cabin designed for both comfort and excitement. The ST-Line trim features sports seats with red stitching, a leather-wrapped flat-bottom steering wheel, and high-quality materials throughout. The spacious interior offers ample room for passengers and cargo, making it perfect for both daily commutes and weekend adventures.

**Advanced Connectivity:** Stay connected on the go with Ford's state-of-the-art technology. The SYNC 3 infotainment system features an 8-inch touchscreen, providing easy access to navigation, music, and apps via Apple CarPlay and Android Auto. Enjoy superior sound quality with the B&O premium audio system, turning every drive into a concert-like experience.

**Cutting-Edge Technology:** The Puma is packed with innovative features designed to enhance your driving experience. The 12.3-inch digital instrument cluster offers customizable displays, while wireless charging and multiple USB ports keep your devices powered. FordPass Connect provides remote vehicle access, live

traffic updates, and Wi-Fi connectivity, ensuring you stay informed and in control. Comprehensive Safety: Drive with confidence, knowing the Puma is equipped with Ford Co-Pilot360, a suite of advanced safety features. Adaptive Cruise Control, Pre-Collision Assist, Lane Keeping Aid, and Traffic Sign Recognition work together to keep you and your passengers safe. Rear parking sensors and a reversing camera make maneuvering in tight spaces a breeze. Eco-Friendly Efficiency: The EcoBoost Hybrid technology not only enhances performance but also improves fuel efficiency. Regenerative braking recovers energy during deceleration, further boosting efficiency and reducing your environmental footprint. Enjoy the perfect balance of power and sustainability with the Puma. Versatile and Practical: The Puma offers the versatility you need for your active lifestyle. Its compact size and agile handling make it ideal for urban driving, while the spacious interior and flexible load compartment provide ample storage for all your needs. The innovative MegaBox storage solution adds an extra layer of practicality, perfect for carrying taller items securely. Discov
