The BMW 2 Series 218i Sport 5dr Step Auto with 65,696 miles offers an excellent blend of performance, luxury, and practicality. This well-maintained vehicle stands out with the following features and highlights: **Key Features and Highlights:** **Engine and Performance:** Powered by a 1.5-liter turbocharged petrol engine, the 218i delivers a balanced mix of power and efficiency. The engine produces 136 horsepower, providing a lively and responsive drive. The Step Auto transmission ensures smooth and seamless gear shifts for an enjoyable driving experience. **Mileage:** With 65,696 miles, this BMW 2 Series has been well-driven and is in great condition. It demonstrates the reliability and longevity of BMW engineering. **Sport Trim:** The Sport trim adds a dynamic edge to the vehicle with sport seats, a leather-wrapped steering wheel, and unique interior and exterior styling elements. It enhances the overall driving experience and adds a touch of sporty elegance. **Interior Comfort:** The cabin of the 218i Sport is designed for comfort and luxury. High-quality materials, ergonomic design, and attention to detail create a premium feel. The sport seats provide excellent support for long journeys, ensuring both driver and passengers travel in comfort. **Technology and Connectivity:** This model is equipped with BMW's iDrive system, featuring a central control screen, navigation, , and a premium sound system. The intuitive interface allows easy access to various functions, enhancing convenience and entertainment on the go. **Safety Features:** The BMW 2 Series includes a range of safety features such as ABS, traction control, multiple airbags, and a rearview camera. Advanced driver assistance systems like lane departure warning and parking sensors add an extra layer of security.

Exterior Styling: The exterior of the 218i Sport is characterized by its sleek and modern design. The sporty aesthetics, including distinctive alloy wheels and aerodynamic lines, give it a striking presence on the road. **Practicality:** The 5-door configuration enhances practicality, providing easy access to the rear seats and a spacious boot. The rear seats can be folded to expand cargo space, making it versatile for carrying larger items. **Driving Dynamics:** BMW is renowned for its driving dynamics, and the 218i Sport is no exception. The precise steering, balanced chassis, and sport-tuned suspension ensure an engaging and enjoyable driving experience, whether on city streets or winding roads. **Fuel Efficiency:** Despite its sporty performance, the 218i is designed to be fuel-efficient, making it an economical choice for daily commuting and long-distance travel. In summary, the BMW 2 Series 218i Sport 5dr Step Auto with 65,696 miles is a well-rounded vehicle that offers a perfect combination of sporty performance, luxury features, and practicality. Its advanced technology, safety features, and dynamic design make it an excellent choice for those seeking a premium hatchback that
