The 2021 Polestar 2 300kW Pilot Plus 78kWh Dual Motor 5dr 4WD Auto is an all-electric performance fastback that delivers a powerful and eco-friendly driving experience. Equipped with dual electric motors producing 300 kW (402 hp) and all-wheel drive, it offers swift acceleration and precise handling. The 78 kWh battery provides a substantial driving range on a single charge. The Pilot Plus package enhances the vehicle with advanced driver assistance features, a premium sound system, and a panoramic sunroof. Inside, it boasts a minimalist, high-tech interior with a large touchscreen infotainment system powered by Android Automotive OS, ensuring seamless connectivity and a modern driving experience.
