

Vauxhall Agila 1.0 12V Expression 5dr | Jul 2009
69K MILES, 12 MONTHS MOT, **£ 35 TAX MODEL**

£1,994 O.N.O

Presenting this (July Registered) 2009 Vauxhall Agila 1.0 12V with 69k miles. In decent genuine order throughout.

EQUIPMENT:

Optioned to 'EXPRESSION' specification with fully colour-coded bumpers. This was the entry level model, and just to be clear, that included NO electric windows, NO Central Locking. But did come with a lovely contrasting interior.

EXTERIOR:

Finished in Vauxhall White, the bodywork is decent all round condition, the car is HPI clear. It does have age related marks, but is a decent, straight example.

INTERIOR:

Comes with blue/grey cloth upholstery, the interior is of good condition and none of the usual wear and tears signs you'd normally associate with a car of this age.

ENGINE & TRANSMISSION:

Built with the super economical 1.0 12v engine with a 5-speed gearbox. With 69,000 miles the car drives very well with no issues to report at all. The engine runs so sweetly, lovely and quiet. It's exactly as you would expect, and is the low tax model.

Everything on this car works exactly as it should.
